

House Rules – Bungalows

23.02.2021

Dear Guests

A warm welcome to Camping Tamaro Resort from the Zanolini family. In order to make your stay in the bungalow as enjoyable as possible, we have listed some important information below. Please read it carefully.

Our staff at reception are of course always happy to help if you have any more questions.

But for now, we wish you a very happy holiday!

The Camping Tamaro Resort Team

Information: There is a folder on the table in your bungalow containing lots of information about the property you are renting and the campsite. Please take a look at it.

Register: Please read, complete, date and sign it and then return it to reception by the evening on the day of your arrival.

Motor vehicles and parking spaces: During the spring and autumn seasons, the afternoon quiet time is between 12 noon and 2:00 pm. Motorized vehicle traffic during quiet time in the afternoon is not permitted within the campground and entrances and exits are locked. A member of staff at reception will assign a parking space for your vehicle.

Smoking: Thank you for not smoking inside the bungalow. Should you fail to observe this rule, you will be charged a further CHF 160.- for the necessary cleaning to ready the bungalow for the next guest.

Cooking: Please use the “touch system” hob with care.

Power: Please use the electricity sparingly. There is 10A for each bungalow.

When using the air conditioning or heating, please close the doors and windows. Only ventilate occasionally, by creating a draft of air. Do not change the programming of the remote control for the air conditioning unit / heating.

If you use your own heating or cooking equipment, Camping Tamaro Resort will not be held responsible for any damages or power outages.

Lights: Insert the key into the switch to activate the command for the central electric system (this does not apply to bungalows 101 and 220).

Windows: Always leave them closed when you're out.

Insect screens: Please treat with care, as they are very delicate.

Absence: If you intend being away from the bungalow for some time, please turn off all electrical appliances, including the air conditioning / heating.

Longer bookings (over 7 nights): After 7 nights, the bedding will be changed. Our cleaning staff will have to access the bungalow. If you do not require this service, please inform us at reception. In your welcome folder, you will find a tag, which you can hang on your door handle: *(Please make up my room / Please do not disturb)*.

What to do when you check-out: Unfortunately time flies by when you're on holiday. You must vacate the bungalow before **10.00 am** on the day of your departure and leave it in a generally clean state. You are responsible for keeping the bungalow generally clean during your stay and before you leave. Both the bungalow and the patio area must be cleaned, as well as the kitchen including the dishes, pans, etc. Please dispose of your waste in the appropriate collection areas and empty the ashtray.

Please return your keys to reception.

DON'T LEAVE ANYTHING BEHIND!

Thank you for staying with us.
